HEALTHCARE

## Hand & surface wiping system

Powerfully effective, independently tested to BSEN1276 and suitable for use on nearly all contact surfaces.

### Performance focus

Cutting-edge research and development, combined with independent testing, ensures **Bioguard hand and surface wiping system** is truly effective for use across the whole spectrum of professional healthcare environments.

Our intensive focus on performance delivers a product which is:

- **POWERFULLY EFFECTIVE** - Independently tested to British and European Standards BSEN1276. Effective against 1000's of viruses, bacteria, mycobacterium and spores. For more details, please refer to our Independent Test and Safety Information CD.
- **SUPERIOR IN IT'S CLEANSING ACTION** - Independently proven to out-perform other leading European products.
- **NON-HAZARDOUS** - Conforming to the latest health and safety legislation. For more details, please refer to our Independent Test and Safety Information CD.
- **USABLE ON VIRTUALLY ALL CONTACT SURFACES** - Including plastic, stainless steel, bedding and uniforms, without damaging or degrading them; one quick, hassle-free application is all that's required.
- **USER FRIENDLY** - Formulated to prevent skin irritation or unusual sensitivity.
- **IDEAL FOR HIGH-RISK ENVIRONMENTS** - The professionals' choice since the early 1990s; widely used in clinical facilities, including mortuaries and testing labs.
- **HIGHLY COST EFFECTIVE** - Heavier-grade cloth makes for a more durable wipe. As a result, you can use up to 30% fewer than you would with some rival products.
- **ENVIRONMENTALLY FRIENDLY** - Proven by independent audits to be non-toxic, biodegradable and non-accumulative in the eco-system. No special procedures are required for product disposal.

### Client testimonials

*"Bioguard hand and surface wipes do not tear or degrade, unlike the alternatives. They're ideal for cleaning down equipment"*

Leading medical-equipment supplier

*"It's really good having a product you can use across a wide variety of surfaces, especially in my surgery where there's a lot of office furniture and fabrics"*

Practice Nurse

*"Since using Bioguard wipes, we've seen a significant reduction in bug counts during swab analyses"*

Food Processor
